

Sign up at Flexiguru

To submit and retrieve scores, we use the **LRS** (Learning Records Store) at Flexiguru. This is a system that we helped to develop, and security of information and results is important to us.

To begin, go to **flexiguru.com** and **Sign Up** (it is easy to do, and free)

The image shows the 'Sign Up' form on the Flexiguru website. It has two tabs: 'Login' and 'Sign Up', with 'Sign Up' being the active one. The form contains several input fields: a name field with 'Tim Horton', an email field with 'coffee@decc.ca', a password field with masked characters, and a 'Birthday' section with three dropdown menus for day (27), month (August), and year (1982). Below these fields is a large orange button labeled 'GET STARTED!'. Underneath the button, it says 'Or sign up with:' followed by two buttons for social media: Facebook and Google+. At the bottom, there is a line of text: 'By signing up, you agree to our Terms of Service and Privacy Policy.' A blue arrow points from the text box on the right to the email field.

Sign Up with your name and a valid email address. You will be sent a User Verification email to that address, which will have a verification code.

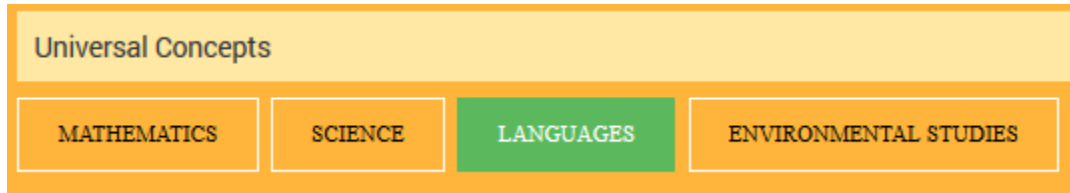

Use the verification code from that email in this box, to verify that you are the user of this account.

The image shows the 'User Verification' form. It has a title 'User Verification' and a green banner with the text: 'Dear coffee@decc.ca please check your email Account and enter the verification code below to verify your Account.' Below the banner is a label 'Enter your verification code:' followed by an input field. To the right of the input field is a red link that says 'Resend Verification key'. At the bottom left is a red button labeled 'Verify'. A blue arrow points from the text box above to the input field.

You are now signed up with Flexiguru.

Click on **School**, and scroll down and choose Languages (just to get started). **Continue**.

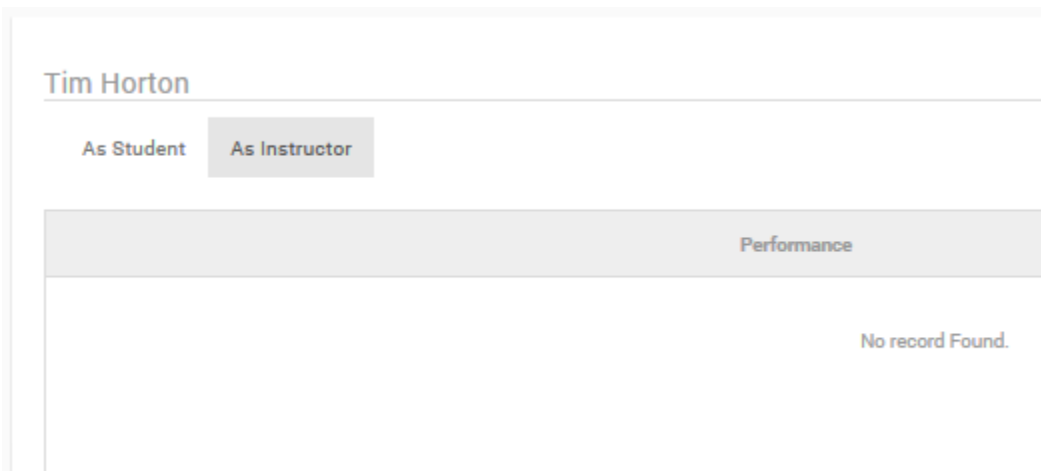

If you like, you can look around this site and search for Japanese. You might find something of interest.

For now, we want to go to flexiguru.com/lrs/

If you add /lrs/ in the address bar, it should remember your login info and take you right into the scores section. You can bookmark this site, for easy access when you return.

You will notice **Student** and **Instructor** tabs. Information will populate the appropriate section, as scores are submitted. As a student, you submit scores to your **Instructor ID**, given by your instructor. You must remember to use the same information (name & email) as you used when signing up at Flexiguru. This way, the scores and information knows where to go.

For this to begin retrieving scores, you must inform us of the email address that you wish to use with Flexiguru. Send that to:

teacher@decpub.com
